RUSSIANS IN GATE TO HUNGARIAN PLAINS

First News of the Advance of the Russian Southern Army Since the Capture of Bukowina

MUSCOVITES POURING ACROSS THE ZIOTA LIPA

Desperate Resistance is Being Made by the Teutonic Armies -A Fierce Fight is Being Waged Along the Entire Line South of Brody-The Italians are Vigorously Pressing the Austrians and Have Captured Several Sections of Their Trenches-No Important Action is Reported on Either the British or French Fronts-Berlin Reports Fighting on the Balkan Front

The Russians have captured Jablonitza, one of the principal gateways
from Galicia to the Hungarian plains,
and Petrograd reports that their offensive in this direction is continuing.
This is the first news of an advance
by the Russian southern army since
the conquest of the Austrian crownland
of Bulgarian was completed.

Cadonoria is now within thirteen miles
of Trieste and that the Austrian fiest
has left the harbor.

The Austrian official statement reports the repulse of Italian attacks in
Vipacco valley and eighteen miles east
of Gorizia, but the official statements
from both sides are very meagre and
leve the general situation vague.

Press destructes from Geneva and This is the first news of an advance by the Russian southern army since the conquest of the Austrian crownland of Bukowina was completed.

Further to the north the Russians are continuing their driving operations against the Austrians with apparently uninterrupted success. Their troops are pouring across the Ziota Lipa at are pouring across the Ziota Lipa at several points in spite of desperate resisance on the part of the Teutonic armice. A fierce fight is being waged armice. A fierce fight is apparently making a supreme effort to cut off the army of General Von Bothmer and force its surrender.

As far as other theatres of war are concerned, main interest centers in the Italian sections, no important action being reported on either the British have come from the Berlin war office, which states that a small engagement occurred south of Lake Doiran. There has been further fighting on the Italian sections, and Rome reports the capture of sext of the town. The Germans dom't that the British have captured more trenches in the Thiepval, but report repulses in other sectors. Reports from London and Paris passed without any significance.

Another report of fighting on the Bakkan from comes from the Berlin dear office, which states that a small engagement occurred south of Lake Doiran. There has been further fighting or office. As far as other theartes of when the suburble of the town. The Germans damit that the British have captured more trenches in other sectors. Reports from London and Paris passed without any significance.

Another report of fighting on the Bakkan from comes from the Berlin damic of the Berlin chairs of the town. The Germans damit that the Italians are already in the suburble of the town. The Germans damit that the Italians are already in the suburble of the town. The Germans damit that the Italians are like from the Berlin damic that the Italians are already in the suburble of the town. The Germans damit that the Italians are industrial that the Italians are industrial that the Italians are different the British have captured more trenches in the Italians are of the town. The Government in the Italians are already in the suburble of the town. The Government is suburble of the town. The Government is sub

Deutechland has been received by and constitutes the first slipment of the kind to reach this city from German manifecturers since the beginning of the war.

Other dyestuff users here received bills of leding for some of the Davis length is 315 feet 3 inches over all and her normal displacement is 1075 tons. She will carry valued in excess of \$1,000,000.

It is reported that high prices are demanded for these dyes, but one of the consignoes here said that it was abaurd to believe that fabulous profits absult of the consignoes here said that it was absurd to believe that fabulous profits absult of the consignoes here said that it was absurd to believe that fabulous profits will be realized on their sale. He dewill be realized on their sale will be realized the constitutionality of the constitutionality the consignees here said that it was absurd to believe that fabulous profits will be realized on their sale. He declared that the cost of the dyes in Germany is at least twice what it was before the war, that freight and insurance charges are three times as eat, and that the dyes brought by the Deutschland were not in the form of pasts, composed of ten and twenty per cent. dys and the rest siste, but

HUGHES MAKES ADDRESS

IN TACOMA'S STADIUM Says He Would Not Shrink from War in Enforcing American Rights.

Tacoma, Wash. Aug. 15.—Charles E. Hughes told an audience in Tacoma's stadium today he would not shrink from war in enforcing American rights abroad. He read the democratic platform of 1912 declaring for preservation of American rights abroad.
"I want that made real," the nominee said. "I do not think in making that

real that we encounter the danger of war. I would not shrink from it if we didn't perform our obvious duty." Mr. Hughes confined his remainder almost wholly to what he termed the need for a protective tariff.
"I propose a wise tariff without abuses," he said, "but frankly a tariff.

to build up and maintain American in-Mr. Hughes reviewed democratic tariff legislation and the democratic platform plank of 1912 relating to the

New President of Paraguay. Ascencion, Paraguay, Aug. 15.—The new president of the republic of Para-guay, Dr. Manual Franco, assumed office today, Dr. Franco formerly was minister of the interior.

KING GEORGE ISSUES GENERAL ORDER TO ARMY IN FRANCE Expressing His Appreciation at Their Splendid Condition.

London, Aug. 15.—After a visit to the front, King George today issued a general order to the army in France, expressing his appreciation of the spiendid condition and cheerful con-fidence of all ranks, and through per-sonal visits to the scenes of later dessonal visits to the scenes or later desperate struggles, his understanding of the demands made on the courage of the men and the physical endurance required to assail and capture positions prepared during the last two which were stoutly defended to the last.

"I realize not only the splendid work one in immediate touch with the nemy," says the general order, "but lso the vast organizations behind the the vast organizations behind the thing line, honorable alike to the mius of their initiators and to the parts and hands of the workers. Evywhere there is proof that all men id women are playing their part, and rejoice to think that their noble efforts are being heartily seconded by all classes at home."

After an allusion to the happy re-lations between the allied armies and the populations where they are quar-tered, King George concludes his mes-sare as follows:

sage as follows:
"Do not think that I and your fel-low countrymen forget the heavy sac-rifices the armies have made and the bravery and endurance they have dis t played during the two years of bitter conflict. These sacrifices have not been in vain. The arms of the allies will never be laid down until our cause has triumphed. I return home more than ever proud of you. May I God guide you to victory,"

The above despatch is the first in-formation that King George had been to the front in France. His last pre-vious visit in October, 1915, the king was injured by a fail from his horse while inspecting the troops.

GOVERNOR HOLCOMB HAS

RETURNED FROM VACATION. Will See That Guardsmen on Border Have Privilege to Vote.

Hartford, Conn., Aug. 15 .- Governor Holcomb has returned from Maine, where he has been on a vacation for two weeks, and was at the capitol to-

tended to call a special session of the general assembly to provide for the taking of a vote of the Connecticut

troops in Arizona. "I think the boys from this state who have entered the military service of the country ought not to be penal-ed by disfranchisement," he replied, it would be deing them a great wrong of deprive them of an opportunity to ate. If there is a necessity of cull-ag a special session in order to make transcements to enable them to vote,

I will certainly call one."

Congress Passes Front in France Big Naval Bill

ENLISTED MEN TO 74,700.

157 VESSELS IN 3 YEARS

Four Battle Cruisers and Four Battle ships Among the Ships to be Built in 1917-Vote Stood 283 to 51, Seven Members Not Voting

Washington, Aug. 15.—Congress vir-ually completed the national defense programme tonight by finally approv-ing the great increases in naval con-struction and personnel written into the naval bill and urgently supported by the administration y the administration

The house accepted the building programme, to which its conferees on the measure had refused to agree, by a vote of 283 to 51, with seven of the members present not voting.

The personnel increases on which there also was a disagreement in conference were approved without a reconference were approved with erence were approved without a rec

Personnel and Construction. The personnel and construction sections, which already have the approving of the senate, authorize an increase in enlisted men to 74,700 and the building of 157 war vessels within the mext three years, with four battle truisers and four battleships included among the ships for 1917. Previously the house had refused to adopt the continuous will be the four truisers.

Acousty the nouse had refused to anopal continuing building programme, has suthorized only five capital ships, all of them battle cruisers, and had provided for a personnel of only 65,000. Less Important Sections.

On several less important sections icluding appropriations for improve ment of navy yards, the house insist-d on its disagreement to senate in-reases and voted to send the bill back to conference for settlement of these points. An early agreement is ex-pected, however, and the measure may be sent to the president for his signaure within a week. Secretary Dan-els issued a statement tonight point-ng out that the building authorizais in the bill were the greatest ever sed in any country and would give United States, in the opinion of the United States, in the opinion of mayal authorities the secona largest navy in the world. He declared the measure "so complete and nearly perfect that it will stand as a model for all navy bills for future legislators."

The vote by which the house accepted the senate increase on the building programme was non-wartisan, the majority of both democrats and republicans voting in the affirmative. ublicans voting in the affirmative. The Vote.

Of the fifty-one members who voted Of the fifty-one members who voted there were 35 democrats, 15 republicans, one socialist, as follows:

Railroad Situation Less Threatening

GROUND WORK FOR FURTHER NEGOTIATIONS HAS BEEN LAID

CONFER AGAIN TODAY

Settlement May be Reached by Railroads Granting Eight Hour Day, Leaving Collateral Issues to be Settled by a Commission

Washington, Aug. 15.—President President Wilson's efforts to bring the railroad managers and the brother-hood leaders fogether in some form of settlement of the differences which threatens a nation-wide railroad strike, has after two days of conferences, progressed only to the point where a ground work for further negotiations has been laid.

Hope of arbitration of all issues waned today, but the situation was brightened by the possibility of a settlement being reached by the railroads concerned in the principle of the eight hour day and both sides settling collateral issues by some form of negotiation not yet determined.

General Committee Going to Washing-

General Committee Going to Washing-

ton. After communicating with President After communicating with Fresident Wilson tonight the employes' subcommittee sent word to New York for the 640 members of the general committee to come to Washington in order to facilitate nesotlations. They are expected here Thursday, and probably will see the president Friday. The managers' committee will confer with him again tomorrow.

Two official statements issued at the White House during the day merely

White House during the day merely stated that the discussions still were in progress and that no report could be made on results.

No Hope for Arbitration. When it became clear that arbitradon of the entire problem probably
never would be agreed to, but that the
allroads might concede the principle
of the cight hour day and dispose of
other issues by some form of negotiation, the president devoted his enerdies, to boly horn wifes on is, to help both sides on how nego-tions could be carried on. Inquiry an investigating committee was grested and the president indicated is willingness to appoint such a

his willingness to appoint such a commission himself.

It was understood that the employes' representatives offered no suggestions on this future situation. The railronds were reported to have been ready to concede to the principle of the eight hour day on condition that all collateral issues be thoroughly investigated by the interstate commerce commission or some other body.

The White House conferences will be continued tomorrow, but it was not denied a crisis would be reached for Thursday. In the meantime the managers and employes will communicate with the inferests they represent.

At first it was suggested that the sub-committee here go to New York, but the president thought it would be better to have the general committee come here. He wanted an opportunity to explain to all the members any signs which may be made by the managers' committee. Although the president has not attempted to bring the sides together, he is emleavoring to have the case in hand before making a final effort to settle the problem. Neither have the representatives of either side finally turned down any suggestion except

turned down any suggestion except arbitration and they have several un-der discussion which will be taken up-again with the president. Pronounced Pessimism Among Offi-

cials. For a time today there was a pronounced pessimism among administra-tion officials because of the complete failure of efforts to bring about an agreement on any form of arbitration. Suggestion of investigation by a com-mittee was then brought forward and its recently a repusal new base that a mittee was then brought forward and its reception aroused new hope that a satisfactory solution might be found. President Wilson devoted most of his day to conferences with the manners and the employes, seeing both sides separately as on Monday, and to a meeting with Judze William L. Chambers of the federal board of me-

Chambers of the federal board of diaflon and conciliation.

Managers for the rellroads continued meetings at their hotel for discussion of the situation. Representatives of the employes, however, held to conferences, save for informal to conferences, save for their homes. no conferences, save for informal conversations in the lobby of their ho-tel, mentioning that they would have nothing to discuss until some complete statement of the railroads' at-titude is forthcoming.

CARRANZA LIEUTENANT KILLED BY AMERICAN PROVOST GUARD The Mexican Had Chased and Fired Upon a Railroad Brakeman.

San Antonio, Texas, Aug. 15.—A ieutenant of the Carranza army was

Mine operators and representatives of striking miners of the Hocking officer became angry at a railroad brakeman and chased and fired on him. The provost guard ordered the officer held at Columbus, Ohlo. Thousands of delegates from all guard then shot and killed teh lieuten-

sections of the United States arrived ant. He was exonerated, at Savannah to attend the eighteenth annual sessions of the Grand Aerie of GOMPERS MAKES REPLY TO SENATOR SHERMAN.

Tyrannical. Washington, Aug. 15. — Samuel Compers made reply today to Senator Seal Island.

The Columbia Creamery company of Springfield, Mass., a wholesale concern, filed a voluntary petition in bankrupicy in the federal court. The petition showed liabilities of \$93,300 and assets of \$41,460.

Gompers made reply today to Senator Sherman, who yesterday denounced him in the senate as "a public nuisance," during a characterization of certain labor leaders as arbitrary and tyrannical. "It is impossible for me to be arbitrary or tyrannical," said Mr. Gompers, "for there are no such powers wested in the president of the American Federation of Labor. I have never attempted, and do not now at-

tempt, as I have not power, to deliver version of the laborers' votes." Doctors new call laziness a symptom
